# **ARTIST SERIES:**

## **DAVID GILMOUR STRATOCASTER®**

The Fender® Custom Shop worked hand-in-hand with David and his longstanding guitar technician, Phil Taylor, to create his signature model, a reproduction of the Black Strat – complete with its unmistakable look, sound and feel. Featuring a Black (Black over Three-color Sunburst alder body for Relic finishes) body with black pickguard, one-piece maple neck, custom pickups, and David's now-famous electronics and shortened vintage tremolo arm, the David Gilmour Signature Series Stratocaster® is as beautiful, powerful and idiosyncratic as David's playing. Additionally, David's signature guitar comes with a custom case, Evidence Audio™ high-end guitar cable, David's Live in Gdansk three-disc live CD and DVD package, and a copy of Phil Taylor's The Black Strat book.

Part #	Description	MSRP

015-0069-806	Relic® Black	\$4,800.00

## MERLE HAGGARD TELECASTER®

Merle's Tribute Tele® guitar – a modified Tele Thinline – features select alder wings with tone chambers and a laminated figured maple top, and maple center block with set-neck and deep carved heel, Ivoroid pickguard and binding, gold hardware, abalone "Tuff- Dog Tele" headstock inlay, Texas Special™ Telecaster® pickups and custom four-way switching.

Part #	Description	MSRP
010-0402-803	Two-Color Sunburst	\$5,900.00

#### DICK DALE STRATOCASTER®

The Dick Dale Stratocaster® guitar honors the pioneer of surf guitar, and his unique sound and playing style. Features include an alder body, special shape maple neck with reverse headstock, rosewood fingerboard, three Custom '50s pickups with special switching, master volume control and original synchronized tremolo.

Part #	Description	MSRP
010-6100-814	Chartreuse Sparkle	\$3,400.00

#### DANNY GATTON TELECASTER®

The Danny Gatton Signature Telecaster® guitar is based on Gatton's heavily customized '50s Telecaster. The cubic zirconium side markers will reflect light on any darkened stage; other features include a swamp ash body, specially shaped maple neck with 22 frets, a pair of Bill Lawrence®-designed pickups based on the original specs of Danny's personal instrument, and a special Telecaster bridge and saddles.

#### RORY GALLAGHER STRATOCASTER®

The Rory Gallagher Stratocaster guitar is an exact representation of the Irish blues singer/songwriter's personal instrument and features three custom wound '60s single-coil pickups, aged chrome hardware, 21 jumbo frets and a bone nut. We take extra detail during the Relic® process to replicate Gallagher's extremely worn three-color sunburst alder body, maple neck and rosewood fingerboard. We've even gone as far as to include five Sperzel® tuners and one Gotoh® tuner, as well as replacing the twelfth dot marker with white plastic instead of the original clay.

## JOHN 5 TELECASTER®

Featuring pure Tele® guitar styling and cutting-edge modifications, the J5: HB Signature Telecaster® guitar is a modern-day classic. Although it appears to be a standard Tele guitar, a closer look unveils a custom three-on-a-side headstock bolted onto a black double-bound premium ash body with a shaved maple neck (for behind-the-nut bends) complete with a rosewood fingerboard. The J5: HB is equipped with a Fender® USA Enforcer™ humbucking bridge pickup, a Fender Custom Shop Twisted Tele neck pickup with a master volume and tone control.

#### **ROBIN TROWER STRATOCASTER®**

In 1974, legendary solo artist and Procol Harum guitarist Robin Trower helped define an era of guitar-riff rock with the first four notes of "Bridge Of Sighs." A long-time Stratocaster® player, Robin's signature guitar features a custom pickup set created by Robin and Fender® Master Builder Todd Krause. The pickup set provides multiple classic Strat® tones, and the "reverse wound/reverse polarity" middle pickup, which includes a humbucking option in the second and fourth positions. Other features include an alder body, custom "C"-shape maple neck with a large '70s-style headstock, abalone dot position inlays with narrow spacing, '70s-style decal without "Synchronized Tremolo," bullet truss rod adjustment nut and four-bolt neck plate.

#### REGGIE HAMILTON JAZZ BASS®

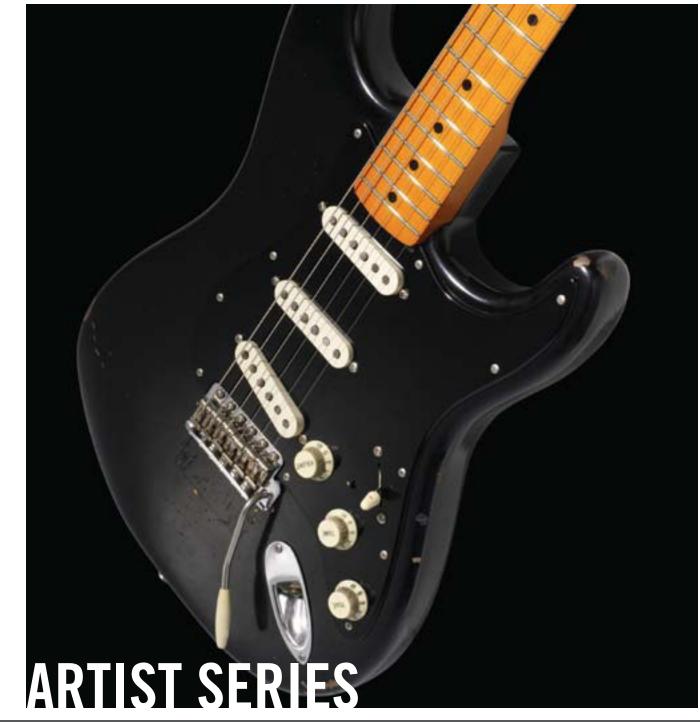

The Reggie Hamilton Jazz Bass® incorporates an active/passive switch, an 18-volt power supply, and a pre-shape sound module that allows the treble and bass center frequency to be shifted. The pickup pairings create a unique "voice" for Jazz Bass and Precision Bass® tones. Features include American Series P Bass® and Noiseless™ J Bass® pickups (four-string) or custom reverse wound American P Bass and Noiseless™ J Bass pickups on the five-string. Other features include Hipshot® drop tuners on the E (four-string) or B (five-string), a modified select alder J Bass body, a quartersawn maple neck with a five-bolt neck plate, a sculpted heel and Schaller® locking strap buttons.

# **JACO PASTORIUS TRIBUTE JAZZ BASS®**

A tribute to the great Jazz Bass® master! This is a faithful recreation of Jaco's famous "distressed" three-color sunburst fretless Jazz Bass and is a result of meticulous research done in cooperation with his technician. Jaco's J Bass® features a select alder body, special shaped maple neck, epoxy coated fretless rosewood fingerboard and knurled chrome P Bass® control knobs.
